

**AUG
1ST & 2ND**

9AM - NOON

KINDERGARTEN CAMP

**All Registered 2024-2025
Kindergarteners to AES are
welcome! The cost is FREE!**

Kindergarten Camp is a wonderful opportunity to introduce your child to the routines and curriculum of Kindergarten to help ensure a smooth transition into the classroom setting. After dropping off your child, your child will spend the morning with a teacher, participating in large and small group literacy and mathematic activities. Your student will also interact socially with peers, as well as learn expectations and procedures. Our goal is to reduce anxiety and build confidence, while helping your child become successful in kindergarten.
