

The background of the page is decorated with various illustrations of chemistry glassware and bubbles. At the top, there are two flasks: one on the left containing a brown liquid with yellow bubbles, and one on the right containing a red liquid with red bubbles. To the right of these is a test tube with purple liquid and purple bubbles. Below the top flasks are several colored bubbles: a blue one on the left, a yellow one in the center, and a red one on the right. On the left side, there is a test tube with purple liquid and purple bubbles. In the center, there is a flask with red liquid and red bubbles. Below that is a flask with yellow liquid and yellow bubbles. At the bottom left, there is a flask with blue liquid and blue bubbles. At the bottom right, there is a flask with yellow liquid and yellow bubbles. There are also several colored bubbles scattered throughout: a red one on the left, a purple one in the center, a yellow one on the right, and a blue one at the bottom. The text of the supply list is centered in the middle of the page.
